Small Home Office Range

Top Box

High quality, well made British furniture for your home with a good range of different finishes and sizes available.

Can be purchased as separate items.

All furniture comes with the Haywoods 5 Year Guarantee.

All on display in our fantastic 10,000 sq ft showroom.

Desk

Pedestal

Bench Desking

Telescopic Bench

Our Telescopic Bench Desking is a stylish solution for the busy modern office. It is extremely flexible; numbers can be increased or decreased with little or no fuss.

The bench is space-efficient and cost-effective, with modern, clean, and uncluttered lines.

A limited amount of cables can be run along the beam meaning extra cable trays may not be required.

Offering a great choice of leg colours White, Silver, Black and our new Raw finish.

Specifications

- 15mm Floating Gap
- 60mm x 40mm Tube Profile
- The beams on our bench desking are able to carry a limited amount of cables
- Cable ports can be fitted instead of scallops – please specify when ordering
- See Page 22/23 for Optional Extras

To compliment this range, we also offer a large selection of desk screens, including fabric screens with an aluminium extrusion that matches the legs of our bench system (excluding our new Raw finish) and acrylic glazed screens in a choice of colours.

Newest Addition

The newest addition to our extensive Bench Desking range is the excellent new electric height adjustable insert kit for existing bench desking without the need to replace legs or desktops.

Using the existing frame of the bench desk, the telescopic beam is replaced by the insert kit, allowing height adjustment from 740mm - 1390mm at the touch of a button, whilst retaining the use of cable trays and screens.

For D600mm and D800mm tops only.

Classic Desks

Greet Desk

Our panel end desking offers a classical, executive appearance, giving a premium feel within the office environment. We offer a vast range of configurations meeting the demands of a modern busy office with single desks, radial workstations and stylish telesales desks.

We also offer an updated version of the panel end desk which has full modesty panels and a floating top bringing the traditional panel end desk into modern times.

Our traditional cantilever range of desking is supported by a fully welded, double upright, silver cantilever leg frame, designed and engineered to offer a robust and durable solution, whilst still offering a stylish, flexible appearance which will enhance your office for many years to come.

Height Adjustable Desks

There was a time when sit-stand desks were a curiosity seldom seen inside a regular office setting. That has now changed, in a large part due to research showing that the cumulative impact of sitting down all day for years is associated with a range of health problems, from obesity to cancer.

Sit-stand desks increase focus, alertness and activity levels. These all support each other. When standing it is easier to release restless energy. Combine that with good circulation, stable blood sugar and an active metabolism and it is easier to focus on the task in hand.

Storage Solutions

A range of storage solutions to maximise use of the workplace. A range of pedestals, bookcases, cupboards and filing cabinets to compliment our desking ranges.

All storage and pedestals have solid 18mm back and 25mm tops unless otherwise stated.

All shelves are 25mm thick and locks are fitted with a snap-over key fob.

Heavy duty ball bearing runners are fitted on all drawers, and filers and pedestals are fitted with anti-tilt .

Tables

If you're looking for a high quality boardroom table at an affordable price, we have everything you might need. Our vast selection of boardroom and meeting tables are ideal for a variety of workplaces, including offices, schools, hotels or anywhere else with a meeting or conference room.

You can choose from small circular meeting tables, perfect for intimate meetings, or more sizeable rectangular tables, ideal for meetings with a larger number of people. Our products also come in a range of styles and finishes, so you can choose a table that fits.

800mm Range Reception

650mm Range Reception

800mm Range Reception

This extensive and adaptable range of reception furniture incorporates internal/external curves and desk over-units to suit any office space large or small. Our modular reception units can be configured to create a range of shapes and sizes to suit any office space.

Our 650 range is the perfect solution for the smaller office.

Our 800 range meets the needs of the top end of the reception counter market and offers a design allowing the fitting of lighting under the pelmets. All counters are 800mm deep and offer wheelchair access on selected items.

NEW SPECIFICATION –
OUR RECEPTIONS ARE NOW

Bespoke Office Furniture

We understand that our standard office furniture range will not always fulfill your needs and often a bespoke product is the only solution. We are able to offer greater flexibility to meet your needs, a service many other suppliers do not provide. Whether it's a bespoke sized desk, a narrow bookcase or a floor to ceiling storage unit, we can manufacture it to your specification.

Terms and Conditions

Guarantee

All products in this brochure have a 5-year guarantee for furniture in normal 8-hour office use. Where furniture is used on a continuous 24-hour basis a 12-month guarantee is provided. This guarantee does not cover fair wear and tear or misuse/mistreatment of our furniture.

Dimensions and Specifications

The utmost care is taken to ensure the accuracy of dimensions. Please note that dimensions should be considered to be approximate and that Haywood Office Services Ltd cannot be held responsible for any errors or omissions. Haywood Office Services Ltd reserves the right to change dimensions and design without notification.

Lead Times

Haywood Office Services Ltd will at all times endeavour to deliver to estimated lead times. However the lead time is an estimate and under no circumstances will Haywood Office Services Ltd be liable for loss due to delayed deliveries.

Bespoke Furniture

Approximately 3-6 weeks from receipt of order unless otherwise advised.
